Dear Parents/Guardians,

## **Phonics Workshop, Tuesday 10<sup>th</sup> October 2017 6pm.**

You might be wondering how you can help your children learn to read at home or perhaps you are interested in knowing a bit more about what they are learning at school. Most parents of young children were taught to read using a different strategy to the one used today, which is why it can be hard to know what to do for the best.

The way children are taught to read these days is called phonics or most recently, letters and sounds. We are running a phonics workshop at the school on Tuesday 10<sup>th</sup> October at 6pm in the Key Stage 1 hall. You will have the opportunity to meet and listen to the Nursery, Reception and Key Stage 1 teachers who will explain how phonics can help your children to read and spell. This workshop is for adults to attend, without children, so that you will feel able to support your child with their reading at home. Please return the slip below to your child's class teacher if you wish to attend the phonics workshop.

Yours faithfully

Rachael Rivers
