Dear Parents,

We are very fortunate that the team from the Crewe fire service will be coming into school to talk to the year 5 pupils. They will be coming in on **Tuesday 28th November**. They will talk to the children about how to prevent fire in the home and ways to protect them if they ever found themselves in an actual fire.

Smoke busters spend time talking to the children about possible ways to reduce fire, how to make a fire plan and what to do in the event of a fire.

As part of the session the fire brigade bring a smoke tent. The tent is filled with a perfectly safe sugar smoke. All children are invited to enter the tent and evacuate it safely.

Smoke busters is a potentially life saving session. We would ask you to give your consent for your child to take part. Any children suffering from asthma can still take part but must ensure their inhaler is in school as usual.

Yours sincerely,

Miss J Spencer
