## Visit to Brereton Heath- Years 5 & 6

Dear Parents,

We have been looking at an opportunity to get our children from years 5 and 6 to work with the children from Wheelock Primary School who are also part of the Learning For Life Partnership.

We wanted an experience that was quite different to any visits our children may have experienced before. We really wanted to explore the avenues of a trip that supported positive physical and mental wellbeing and allow our oldest children to challenge themselves in a practical outdoor environment.

We have decided to plan an action packed day at Brereton Heath Nature Reserve. The visit will take place next Tuesday 6<sup>th</sup> March. I apologise for the short notice, I had intended to get the letter out before half term.

The day will consist of 3 main activities including: orienteering, tent challenge and a selection of team building activities. The children will be spending the day outdoors so will need to wear lots of warm layers of outdoor clothing and not their school uniform. The children will get muddy, so old clothes would be great and of course a warm waterproof coat. The children should also bring with them scarves, hats, gloves etc. to keep themselves warm. The children would be best wearing either wellingtons or walking boots. Old trainers are not advisable, as they will get very wet and messy very quickly leading to cold feet!

The children will need a packed lunch and a drink and we will take water bottles to drink throughout the day.

We ask for a voluntary contribution of £5.40 towards the cost of the transport. We are covering the cost of the activities.

The visit will take place during school hours and we will be back at Shavington by 3.30pm.

Could I ask that all slips are returned by Monday 5<sup>th</sup> March.

Yours faithfully,

Mrs R Nicholls  
(Head of School)
