22.03.2018

Dear parents/guardian,

Over the last 12 years, Year 5 have taken part in a residential to France. We have always prided ourselves on providing this fantastic opportunity. However, over recent years the cost of the visit has increased and the number of children attending has reduced. Reasons include; cost, international visit, and the uncertain world in which we live.

Therefore, it saddens us to say that we won't be running France as our residential this year. However, we are very excited to announce a brand new visit, which has been very carefully selected to support our year 5's in line with their new Summer topic alongside all aspects of their life long learning skills.

This visit will draw upon our four animal learning muscles: The Rhino (resilience), The Tortoise (reflection), The Beaver (resourcefulness) and the Ant (team work). These animals are at the heart of everything we do at Shavington and by combining these elements into the residential and linking it to our summer topic of Jungle Book we feel this trip fits all our criteria.

The residential for Year 5 this year, is an adventure packed one at Whitemoor Lakes in Staffordshire. To fit in with our Jungle Book and wild living topic, your child will be taking part in an action packed 3 day residential, which will include activities like; raft building, camp fires, abseiling, night walks, archery, climbing and many more outdoor activities. The activities will really build upon our four learning muscles and push our problem solving, resilience and team building skills.

We will be leaving on Monday 9th July (after registration) and returning on Wednesday 11th July before the end of the school day. We will be travelling to and from Whitemoor Lakes by a fully seat belted coach.

The cost of the residential will be £182. This price will include two nights (3 days) action packed stay with 10 assorted activities. It also includes full board accommodation with the first meal being dinner at 6pm on the night of arrival, through to lunch at 1pm before departure on the last day of the stay. You will be asked to bring a packed lunch to eat on the first day.

The trip can be paid for online on School Money either in full or in instalments. All consent slips and deposits must be returned by Wednesday 18th April and the full balance should be paid by Monday June 4th.

We will send out a letter with more details including a full itinerary and a kit list prior to the visit.

We will also be holding a meeting to discuss the visit, which has been arranged for May 7th at 3.30pm in the Year 5 classroom.
