<u>TUESDAY</u>	<p>Year 3 Swimming Year 5 &amp; 6 SAT's meeting for parents 5.00pm</p>
<u>WEDNESDAY</u>	
<u>THURSDAY</u>	<p>Year 1 South Cheshire college workshop in school</p>
<u>FRIDAY</u>	
<u>GENERAL</u>	<p>Today we celebrated Ray Birtles retirement in true Shavington style with lots of fun and laughter including all children and staff. We can never thank Ray enough for all he has done for our school and its community. Of course we wish Ray a very Happy Retirement.</p> <p>We are pleased to announce Craig Willington will be joining our team as our new caretaker. Ray has been showing Craig the ropes and we would like to welcome Craig to our school. I am sure you will join with us in welcoming him.</p> <p>We would like to wish all our children and their families a very Happy Easter</p> <p>-----</p> <p>Kids Easter Disco at Shavington Social Club, Saturday 31st March, 6 until 8. Lots of Easter fun and games. Kids free and adult non members £1.</p> <p><u>Spanish club</u></p> <p>Miss Spencer will not be running a Spanish Club during the Summer term. Miss Spencer will be providing 'booster' sessions after school for her Year 5 class. Spanish Club will begin again in September for the beginning of the school year. She is very sorry for any disappointment that this may have caused anyone and she is looking forward to seeing you all again in September.</p>

<u>DATES</u>	<p>Please see the calendar section of the school website for all up and coming dates. The calendar is colour coded so you can easily identify events that are relevant to your child/ children.</p>

## Weekly Newsletter

### Nursery—Miss Wilks

Last week of the term! We've loved looking at Julia Donaldson this term, from The Gruffalo to Stickman to Sugarlump the Unicorn. This week we've been making Easter cards, biscuits and having an Easter egg hunt. We've also been loving our new sensory balance beams in the classroom (thank you to the PSA!). Next term our theme is Flat Stanley and the world, so please post your Flat Stanleys and send your photos in! We hope you all have a lovely, well deserved Easter break and we look forward to seeing you all again in April.

FYI—Nursery Photos are on Monday 16th April. If your child isn't in for that session, you are welcome to bring them in at 8:45 and stay with them until their photo has been taken.

### Reception—Mrs Earl, Mrs Hurst & Mrs Glover

In Reception this week the children have been telling us about their plans for the Easter holiday. We have been printing to make our beautiful Easter cards which we hope you like!

It was great to see all the homework, we are always so impressed by everyone's imagination and how fantastic the work looks on the wall.

Even though school is such a happy place we have been feeling a little sad because we have had to say good-bye to Mr Birtles. There was a special assembly for him and we sang our version of the Bob the Builder song – Mr Birtles can he fix it?

The children have worked really hard this term and we hope they will have a lovely rest, ready to return refreshed and keen for the summer term.

Happy Easter!

### Year 1— Mrs Bloor, Mrs Rivers & Mrs Hunter & Mrs Gawn

We can't believe it's the end of another term in Year 1 – time has flown by so quickly.

On Monday, we had some lovely homework come into school. The children have worked really hard on their reading assignments and we have enjoyed looking at all the work. Thank you for all the support with the homework.

We have been busy learning a song this week to share with Mr. Birtles at his leaving assembly. As well as learning the song, the children were also able to sign the words, which was great to see. We wish Mr. Birtles all the best for a long and happy retirement – we will miss him.

Thank you for all your support over the last term – have a lovely holiday and we will see you all on the 16<sup>th</sup> April – Happy Easter !!

### Year 2—Miss Simms

This week we have had lots going on in year 2! On Monday we worked hard in Maths to find halves and quarters of numbers. We also had lots of lovely homework come in on Monday so the children have been presenting their pieces of homework to the rest of the class. They have all worked very hard. We have also said goodbye to Mr Birtles this week. We had a lovely assembly for him and the children sang 'Stronger Together' - a song that they have been singing with Lorraine and also learning in sign language.

I have made available some Maths sheets for the children to take home over the Easter holidays if they choose to do so. These will help all their Maths learning to stay fresh in their minds over the Easter holidays.

Have a lovely Easter and a relaxing break!

## Weekly Newsletter

### Year 3—Miss Chapman & Mrs Watson

It's the final week of Spring Term. This week, it has been with a heavy heart that we have had to say goodbye to our beloved Mr Birtles. The children put on a fantastic performance for his leaving assembly and both adults and children will miss him incredibly. We wish you the happiest of retirements Mr Birtles!

In 3C, we have finally completed our sea creatures and they look fantastic! Our hard work has paid off, we have carefully followed our plans and reflected on our work throughout the process.

In Geography, we have been identifying the oceans, seas and continents of the world.

In RE, we have been retelling the story of Easter.

In Maths, we have been finding the perimeter of a regular shape, using mm and cm.

We hope you have a restful Easter break and we look forward to seeing you in the Summer Term.

### Year 5—Miss Spencer

This week in year 5, we have been enjoying our art lessons and have created some fantastic landscape pictures. We used our new pastel skills and drew our pictures with a vanishing point to really add depth to them. We have some fantastic artists in our class!

In maths, we have been learning all about decimals and their equivalent fractions. We have used many pictorial examples to really help us to understand the value of each of the numbers within a decimal number. We are all now able to represent a decimal number in many different ways.

Well done to all of Year 5 for another fantastic term. We hope you and your families all have a fantastic break and we are looking forward to seeing you in April!

### Year 4—Mr Hazeldine

In year 4 this week, we have been finishing our short stories. Some of our paragraphs have been amazing. We have just put the whole story together.

We have started to look at decimals in maths and we will continue to look at this next term.

We have been doing some final bits of topic work and we have re-sketches and painted our stained glass windows.

Have a lovely Easter break. See you all back safely on 16th April!!

Mr H

### Year 6 - Miss Brock

This week we have completed our remaining assessments. These have highlighted areas of strength and areas that we need to work on. We are all working really hard on our preparation for SAT's – keep up the good work Year 6!

**Homework / Revision:** To keep all of the work we've done topped up. Over the holidays, the children will have a selection of booklets to work on to improve the areas that they would like to improve on. These tasks can be completed how they like: a revision task or a timed assessment. The choice is yours. I will also upload other activities to Showbie that the children can also access, if they'd like to.

We have worked hard to get all of our topic work completed. We have also presented the writing we have done in our English sessions for our topic books. I am very pleased with the work that we have produced in these books - you should all be very proud.

We are very sad to see Mr Birtles go and would like to wish him a very Happy Retirement. We hope that we will see him soon when he comes back to visit.

I would like to take this opportunity to thank all parents and guardians for their continued support with our weekly homework tasks and the preparation for our SAT's. I wish you all a very Happy Easter.

Have a lovely rest and enjoy your break. I look forward to seeing you after the holidays ready for a busy half term
