Dear Parents,

## PRIMARY COLLEGE 2018

This year, the children in Year 5 are once again taking part in PC 2018 on Thursday 12th July. This event is run by South Cheshire College. It involves over 1,400 primary school children taking part in a variety of activities organised by the college.

The children have chosen the activities that they would like to take part in. They are provided with a sticker to wear outlining their activities for the day. The children will do 2 different activities in total ranging from falconry to bricklaying. Year 5 pupils will be told what they need to wear for each activity. Most activities require either school uniform, sporting clothing (school kit) or aprons. Some of the activities will require children to wear old clothes or strong shoes but no special clothing should need to be bought especially for Primary College.

Children will need a packed lunch and a water bottle.

We ask for a voluntary contribution of £5. Please forward to school by the 29<sup>th</sup> June. You can pay by cash, cheque or using the on line using the school money system.

Previous Primary College trips have been very successful and it is hoped that PC 2018 will be a wonderful experience for all the children.

Yours sincerely

Miss J Spencer  
Year 5
