2nd July 2018

Dear Parents,

Thank you very much for the homework that has started to come into school it looks great! Lots of you uploaded photographs and videos of the children completing their homework tasks over the last few weeks - it is lovely to see.

We have become aware that there is a discrepancy over the date the homework is due in. The date on the school calendar and on the website is Wednesday 4th July, with the homework celebration afternoon being Thursday 5th July. However, it has been pointed out that the date on the top of the homework grids says Wednesday 11th July. Our apologies: we must have forgotten to change the dates from a previous year when we updated and printed the summer homework grids out.

As the homework is designed to be done bit by bit throughout the term we appreciate that although most of the homework will be done by this Wednesday, not all of it will. Please don't worry about not having it all completed this week. We ask that you send in what your child has done this Wednesday, and then decided if you want to finish off the last few pieces and send them in next week.

The whole school is off timetable for the Homework Celebration afternoon this Thursday, and Reception class will take part in that. The homework we will be displayed and we welcome parents in to look at our classes and the rest of the schools. However, we know that life can be a juggling act, especially for working parents, and so, if you have arranged to come of see your child's homework the following Thursday 12th July, Reception will open the doors and welcome you in then as well.

We've got a busy few weeks with our trip, Homework Celebration afternoon and then Sports Day on Friday- we look forward to sharing these with you.

Kind regards

Mrs Earl and Mrs Hurst
