Dear Parents,

On Monday 24th September, the children in year 1 and 2 will be taking part in a science workshop based on 'materials'. This feeds into the topic work that the children will be doing in their Science lessons. The workshops will be delivered by staff from Techniquet, Glyndwr who have experience working with children of all ages.

Each class will have a chance to take part in problem solving tasks, teamwork activities and STEM challenges. These will all be based around 'Humpty Dumpty'. This is a great opportunity for the children in year 1 and 2 to take part in hands on activities, while developing both their scientific knowledge and teamwork skills.

We ask for a voluntary contribution of £1.75 in order for the workshop to take place.

Yours faithfully

Miss Simms

Name of child _____ Class _____

I would like my child to take part in the science workshop and have paid the £1.75 on School Money (please note that your child will still be showing as their previous school class due to issues with the system) PREFERRED METHOD OF PAYMENT	
I would like my child to take part in the science workshop and enclose £1.75	
I do not wish my child to take part in this workshop.	

Signed _____ Parent/Carer
